Workshop - Photogrammetry - part 1

Tuesday, 24 January 2023 15:00 (1h 45m)

Creating 3D models in the field. In this workshop you will be guided through the steps for creating 3D-models of real-world objects.

Participants will take photographs of some object in or around the hotel, and we will attempt to use these in the workshop.

We ask the participants to upload the photos here: https://drive.google.com/drive/folders/1y0tj8-HoD0xIMNrs4hiNrTbgq_1FnzEA?usp=sh and they will be of use in the FAIR workshop too.

Presenter: Prof. DELL'UNTO, Nicolo (Lund University)

Session Classification: Parallel Workshops
