# Overview

- Next event?
- Feedback
- Dinner
- Credits

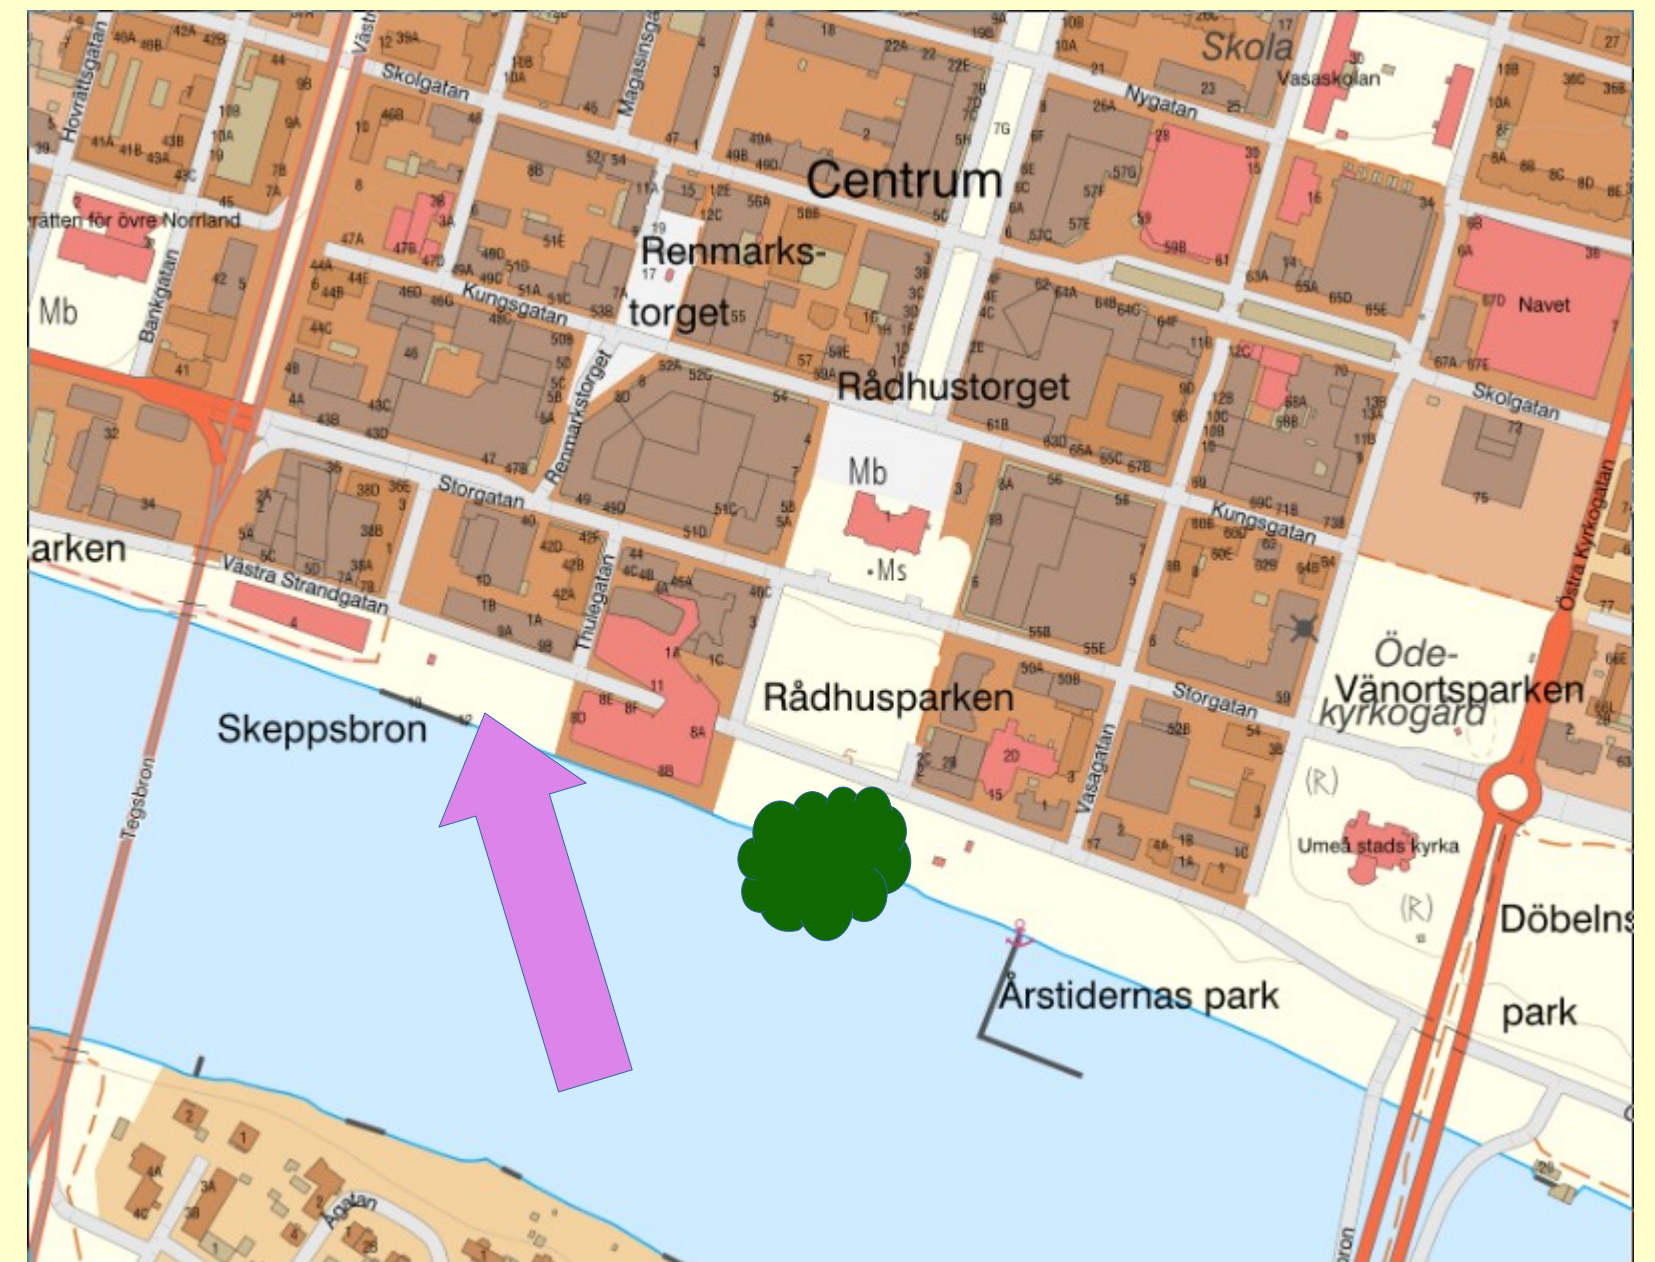

# Next event?

- BSides Ume 2023 - The first of many?
  - Participant feedback important to see if and what we should repeat
  - Also which things to improve for next time?
  - Should we try to get some workshops?
- Would you like a survey afterwards, or just talk to me?
- Would you like to help organize things?
  - A programme committee doing legwork for talks would be nice
  - Snazzy website, logo, etc
  - All the things that didn't get done this time

# Dinner

- Those of you who have registered for dinner, be outside Sjöbris no later than 19:00 (purple)
  - Up until 18:55, it is nicer to hang out slightly further downstream (green)
- Looks like we can cover the full dinner costs
  - Except possibly some of the more expensive drink choices
  - We might be able to take some more participants, talk to me now
- Badge wearing encouraged

# Credits

- Torben Dallas, ACC mascot
- Academic Computer Club
- All the speakers
- Nordic e-Infrastructure Collaboration
- Gold sponsor: Omegapoint
- The other sponsors
- BSides Organizers via email list

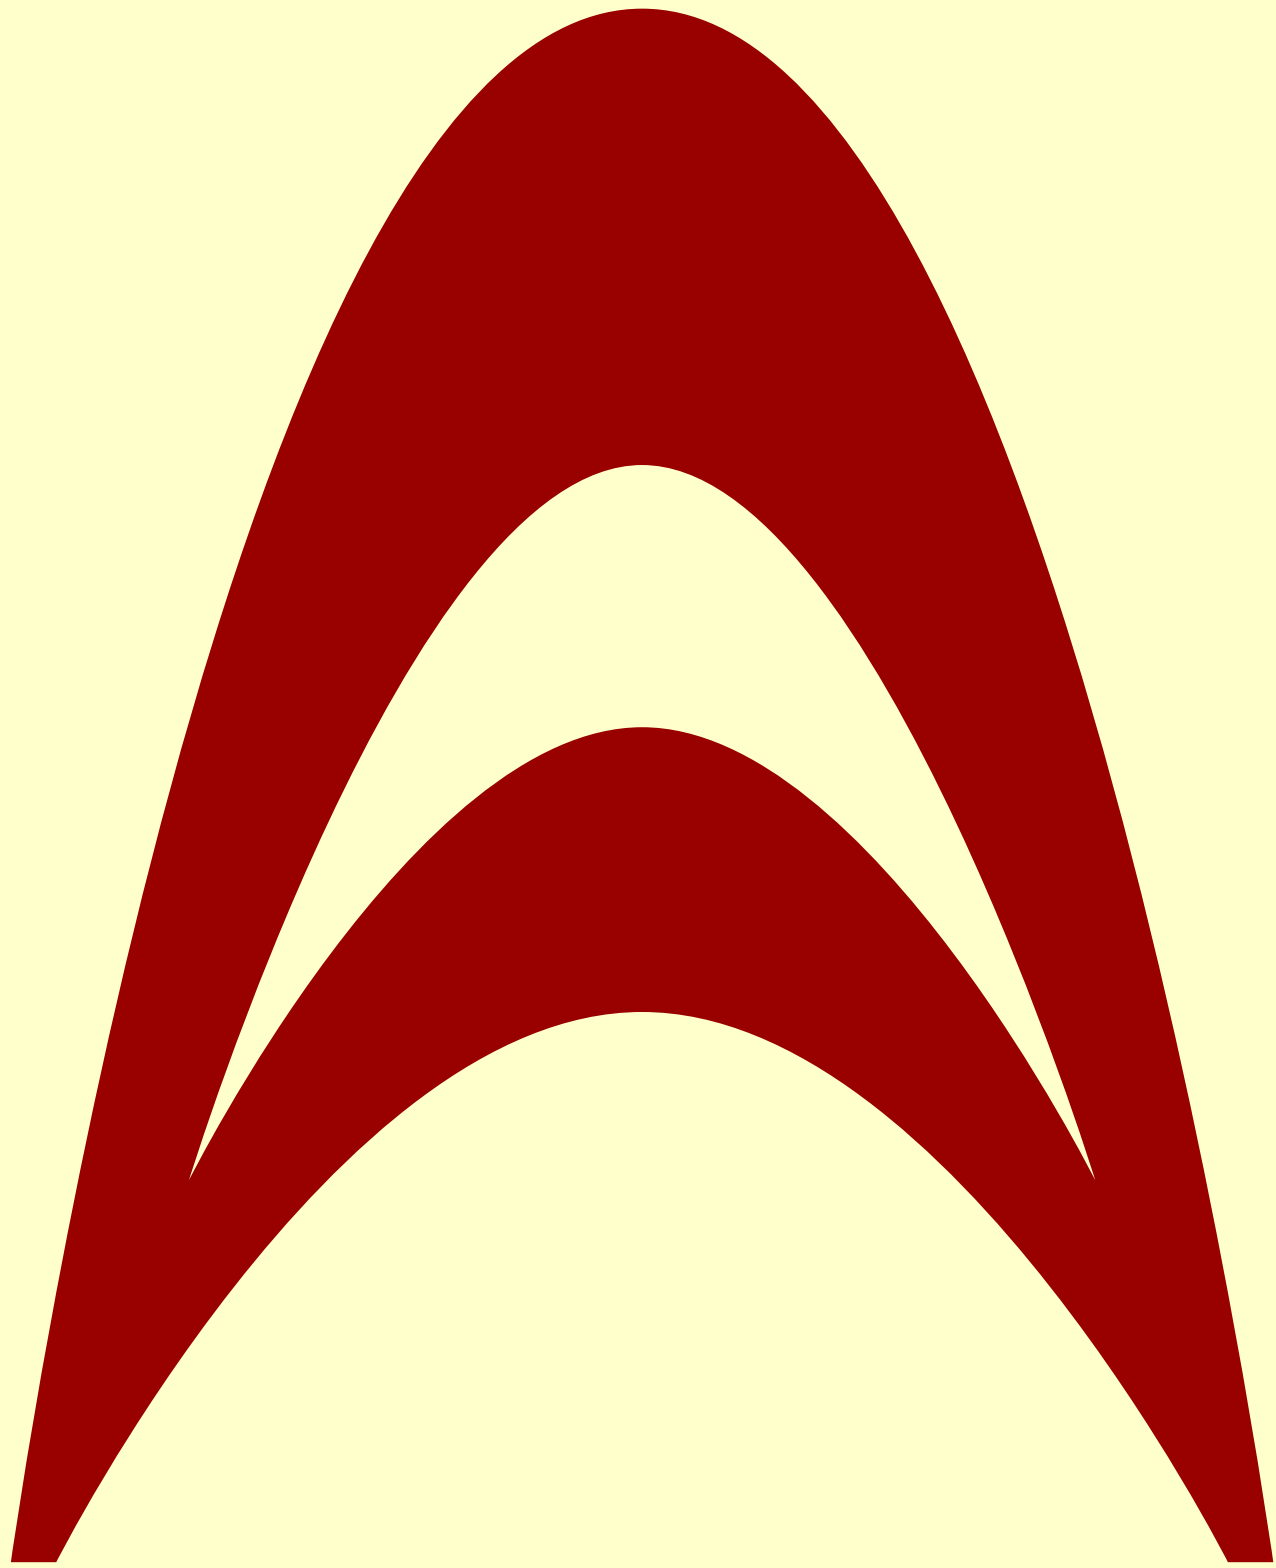

# Credits

- Locals doing practical stuff: Mattias W, Mattias Å, Niklas E, Helena L, Tomas Ö, Magnus J
