Cyber Clash: Hot Takes and Disruptive Discourse

Tuesday, 4 June 2024 16:15 (45 minutes)

Should law enforcement use hacking tools? Is XSS dead? And which one is the greatest threat to security: AI or the EU?

In this session our panelists will tackle controversial topics with their wit and wisdom, from hacking ethics to encryption, privacy and those lazy programmers.

Length

45 minutes

Optional: Speaker / convener biography

Markus is a security consultant with a background in OWASP and coding.

Primary author: ÖREBRAND, Markus (Omegapoint / OWASP)

Session Classification: Talks and presentations

Track Classification: Talks and presentations
