BSides Ume 2026
Umeå, Sweden

Overview

- Welcome
- Venue
- Food
- Photography
- Timetable
- Workshops

Welcome

- Welcome to BSides Ume 2026!
- Organizer: Academic Computer Club in Umeå
 - Mostly me
 - With a program committee
 - With a bunch of help from others
- Thank you to our sponsors improving fee/food ratio!
- Thank you speakers for speaking!
- We are all happy to have you here!
- WiFi user+pass and dinner tickets in badge holder

Venue

- Coffee breaks in corridor
- Outside doors open
- We will lock the room
 - Please exit timely at breaks
- Emergency exits

Food

- We will go to lunch at Universum
 - We will need to turn up as a coherent group for payment reasons
 - Salad and warm food buffet with refills, drinks, bread, and optional coffee afterwards
- Coffee break in the morning and afternoon
- Those of you who have registered in time for dinner, be at Tonka Strandgatan no later than 19:00
 - There is a dinner ticket behind your name in the badge holder
 - If you were a late registrant, talk to me in case there are cancellations
 - If you have a ticket but don't want to attend, hand it to me for ^

Photography

- There will likely be some people taking photographs and publishing them
- If you want to not be in pictures, make yourself known to everyone that might carry a camera

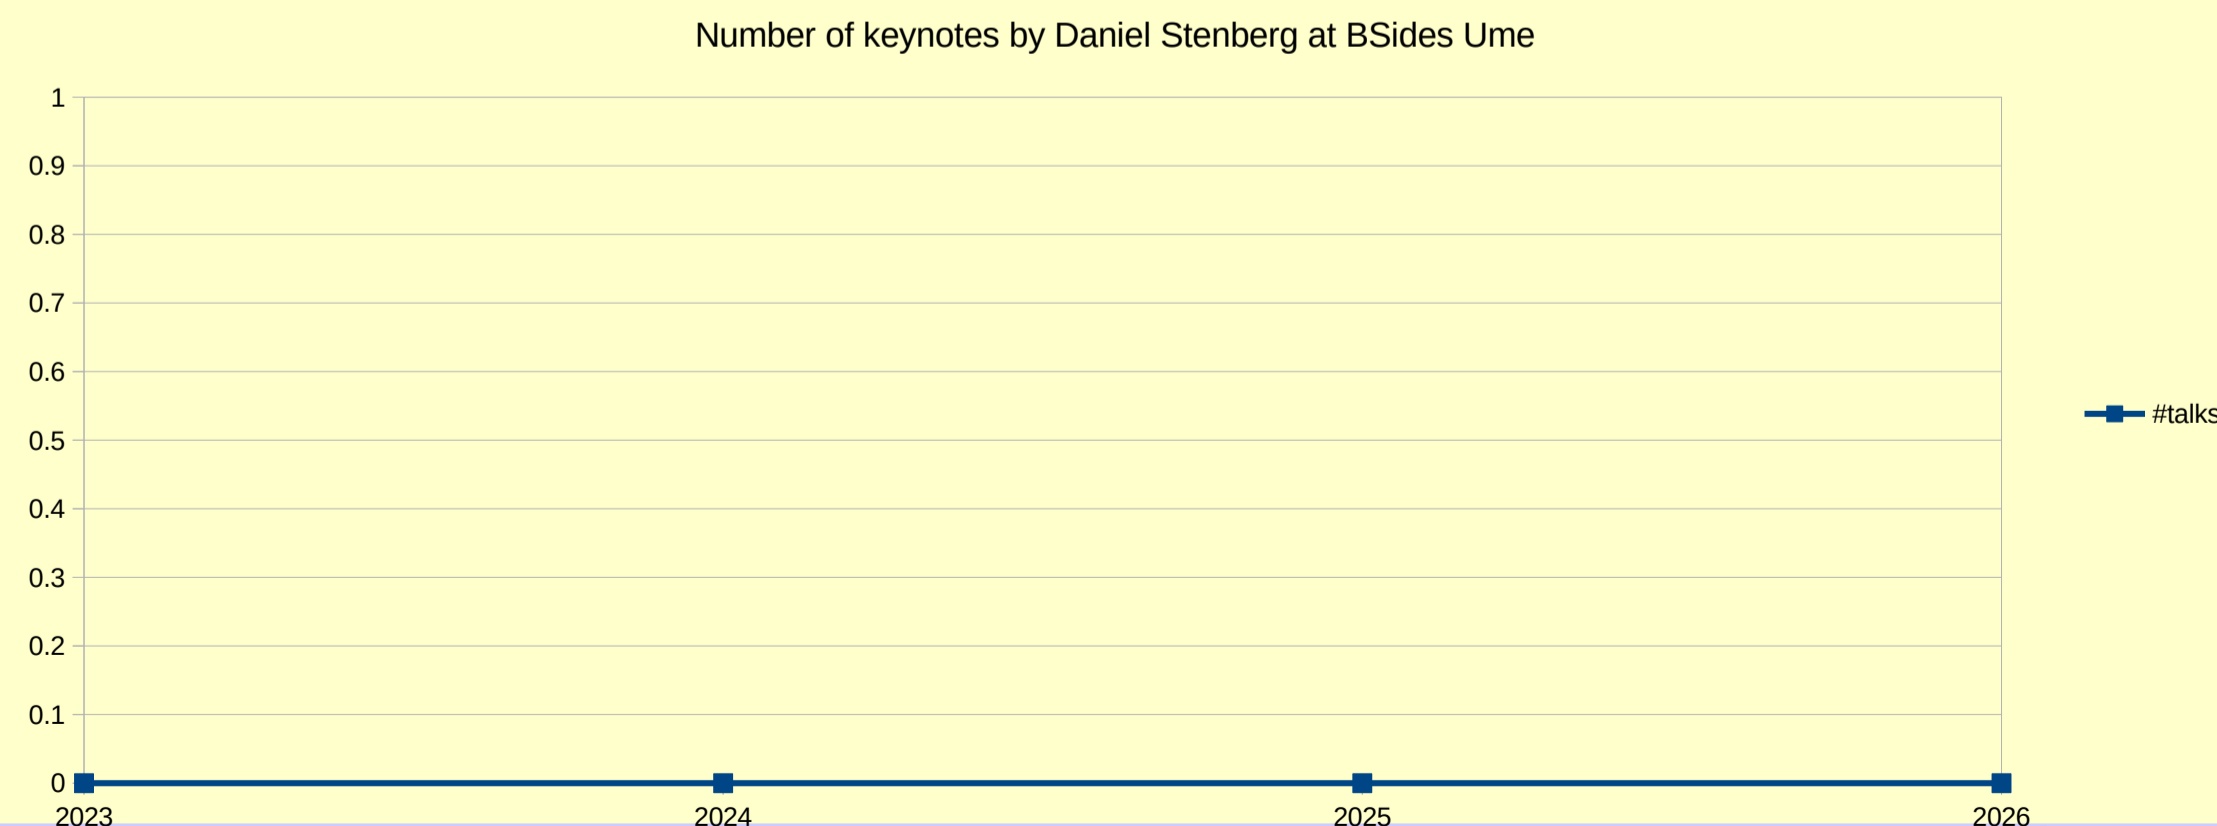

Online CTF

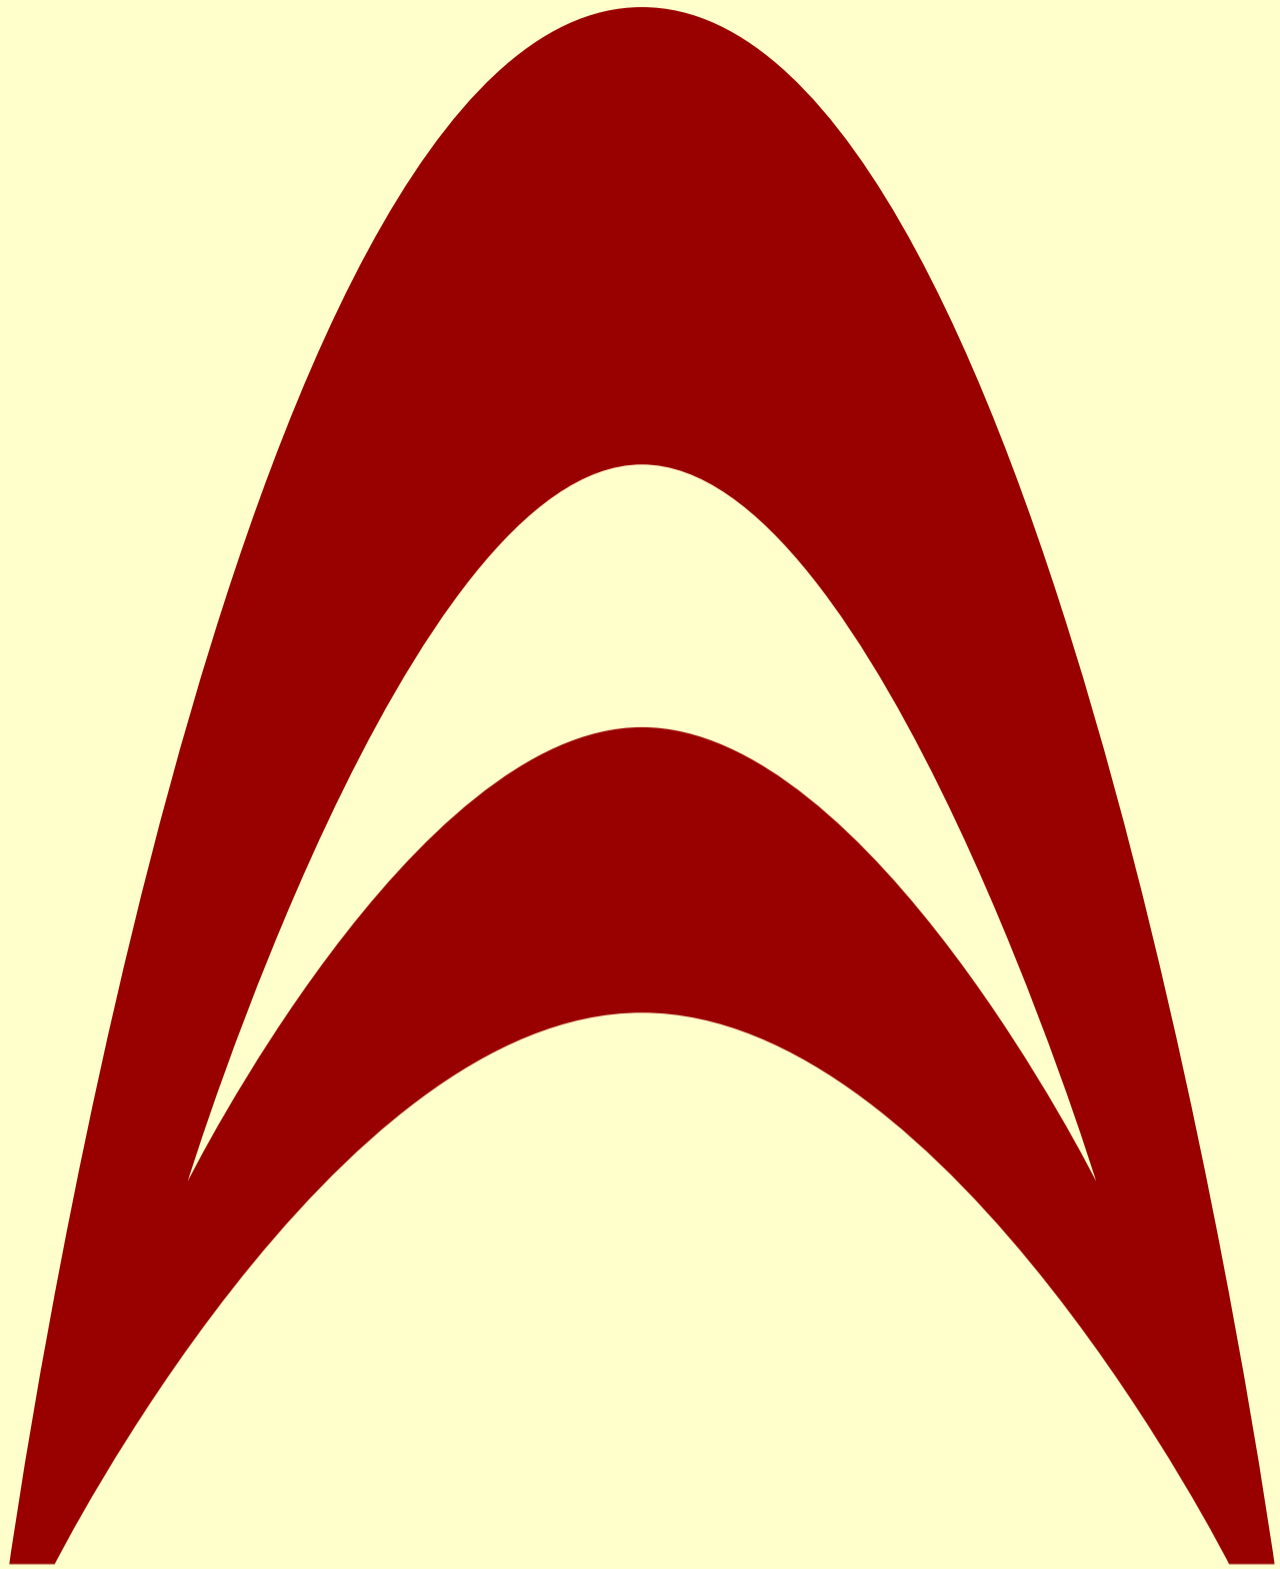

- There's an online CTF starting at 13:00
- Run by SkillBits (formerly MetaCTF)
- Signup: <https://mctf.io/bsidesume>
- Prize ceremony on wednesday afternoon

A note on keynotes

- Unfortunately Daniel Stenberg's talk on how to manage a critical open source infrastructure under the AI-accelerated deluge of vulnerability reports turned into a practical demonstration of how to do it, by canceling public speaking
- We are very grateful for Prof Bartel to step in on short notice

Academic Computer Club
