NORDIC E-INFRASTRUCTURE COLLABORATION

Overview

- Practical details
- Breaks
- Lunch
- Dinner
- Tours

SPEAKER | Mattias Wadenstein <maswan@ndgf.org>

Organizers

- NeIC, Nordic e-Infrastructure Collaboration
  - Overlay organization over the national scientific computing sites
  - Hosts the Tier-1 site NDGF for LHC data and computing
- HPC2N, High Performance Computing Center North
  - HPC and other scientific computing services for Swedish researchers (and collaborations, like NeIC)
- Department of Computing Science
  - Education and research in the field of computing science
- Academic Computer Club
  - More IT-knowledge for students and staff
  - Public services for free software and free culture
- Sipgate AG – free food for Ganeti folks

Practical details

- We'll be in this room the whole meeting
- This room will be locked during breaks
  - Me, Tomas, and Mattias can open it
- Anyone needs wifi access?
- There is remote participation, so sound and video from this room might be transmitted
- If checking luggage, aim for being at the airport 60 minutes before departure
  - Carry-on only: 40 minutes should be plenty

Coffee Breaks

- Will be catered in the CS break room
- Providers:
  - Tuesday morning: HPC2N
  - Tuesday afternoon: ACC
  - Wednesday morning: NeIC
 - Wednesday afternoon: Department of Computing Science

Lunch

- On your own with several choices of food
  - Personal recommendation: The Little Indian or Hanson&Hammar
  - https://wallit.cs.umu.se/wallit-common/lunch/

Dinner

- Restaurant Köksbaren, 20:00
  - In the city center
  - Sponsored by Sipgate!

Tours

- Three computer rooms possibly of interest
  - HPC2N high density compute room
  - Joint HPC2N, CS dept, Informatics dept classic raised floor room
  - Academic Computer Club, small hobbyist room with lots of public services:
    - ftp.acc.umu.se aka cdimage.debian.org etc
    - Freenode/OFTC servers
    - OSM tile cache
    - Mastodon servers
    - LineageOS build servers
    - … maybe more?
