The way to Python 3

Tuesday, 18 June 2019 14:30 (30 minutes)

A brief discussion about migrating Ganeti from Python 2 to Python 3: what has been done sofar, what is there left to do, what can we do about it.

There is already PoC work on https://github.com/apoikos/ganeti/tree/python3-next and https://github.com/YSelfTool/ganeti/tree/python3
